

HAILO ÖKO VARIO XL

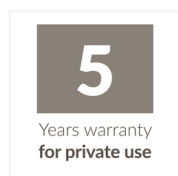

The champion of versatility.

THE KEY FEATURES

- Flat lid made of high-grade plastic
- Lid opens entirely automatically thanks to sensor technology
- Can be operated by moving the hand towards it (opens for 5 sec.) or manually (stays open)
- Low-noise lid closing mechanism
- Removable plastic inner bin (25 litres)
- Pull-out compartment with additional removable plastic inner bin (25 litres), can be divided in the middle using a plastic rib
- Separately removable plastic biowaste container (4 litres) with carry handle and lid

OTHER PRODUCT ADVANTAGES

- Non-slip feet
- Battery operation: 6 x AA (mignon) - not included in delivery
- With On/Off switch on the underside of the lid attachment
