

HAILO MULTI-BOX DUO L

The built-in waste separation system - inconspicuous in position yet always ready to extend and fill. With 2 removable inner bins.

THE KEY FEATURES

If you have a fitted kitchen, you must make optimum use of the space available. Witness the Multi-Box duo L. This can be used for low-level cupboards from as little as 30 cm wide. Simply assemble on the right, left or centrally as required. The two 14-litres inner bins sit in a rail to pull them out. Waste on the move: easy filling and removal of the inner bins guaranteed. And so that nothing can slip, the bin liner can be fixed to the edge of the bin. Multi-Box duo L: the practical built-in waste separator.

- 2 removable inner bins: plastic, grey
- Can be used with carousel units from 30 cm wide
- Can be assembled on the right- or left-hand side or in the centre
- Bin liner can be fixed to the edge of the bin

OTHER PRODUCT ADVANTAGES

- Corrosion-resistant coated sheet steel housing
- Movable white plastic lid
